To the board of NLOWE:

We are nominating and supporting to recognize Cathy George for 20 years of business excellence. Cathy has operated both Derma Electrolysis and Mt. Pearl Electrolysis and has successfully run businesses on both the east and west coast of Newfoundland and Labrador. Cathy was also recognized and nominated by our branch for an RBC Canadian Women entrepreneur award since she opened on the West coast. Being a business owner is incredibly challenging and it is certainly an accomplishment to acknowledge and celebrate for being in business over 20 years. Additionally, operating a business in two locations over a large geographic area poses further challenges which Cathy has overcome.

Congratulations and all the best to Cathy on her future successes in business

Sincerely,
